Opening in December 2010, Buccament Bay promises to bring luxury on a scale never seen before in the region. The resort's ambitious owners have set out to redefine the art of combining luxurious tropical living with the very best sports and other facilities. Set on its own extensive bay, this vast resort is supremely modern yet reflects the natural warmth and charm of St Vincent. Boasting state-of-the-art facilities, it is a spa, tennis and watersports paradise, but is also perfect for families and others seeking a holiday that literally offers everything you could need in one fabulous destination.

Location On the west coast of St Vincent, a 20 minute drive from the airport. St Vincent is accessed by air from Barbados or Saint Lucia.

Accommodation The resort's 369 guestrooms offer an incredible range of accommodation, from luxurious Suites to magnificent Four Bedroom Plantation Villas with private plunge pool. Furnishings differ by room type but all accommodation is decorated to an exceptional standard and includes a king size or twin beds, air-conditioning, satellite TV, iPod docking station, complimentary wireless internet access and a luxurious bathroom. A 24-hour concierge service operates for all accommodation. As the choice is so varied, it's best to talk to us about your individual needs.

Facilities From fine dining to casual eating, you'll find that the resort's 5 restaurants and bars (including the legendary Trader Vic's) serve a wide range of cuisine from around the world, including local Caribbean specialities. Or enjoy an unforgettable buffet cruise aboard The Pearl, the resort's own galleon. The facilities here will be nothing short of exceptional and include a superb spa, the Pat Cash Tennis Academy, Liverpool FC Soccer School, the Harlequin Performing Arts Academy, state-of-the-art fitness centre, diving and watersports centre and private beach with marina. There are freshwater pools with concierge service and teens and kids clubs.
